Speaker

Mr. Christian Bartolf

Christian Bartolf is a President at Gandhi Information Center Berlin, Germany. He is a well-known political and educational scientist. His area of interest encompasses nonviolence and peace studies with a special focus on personalities such as Gandhi, Martin Luther King and others who preached nonviolence and peace. He has served in various professional roles at prestigious institutions as a practitioner and an advocate for violence prevention and sustaining peace such as he served as a Counsellor for Conscientious Objectors and Director of the Peace Education Media Center for the Protestant Church District in Berlin-Spandau (Germany) (1991-1999) and the Ecumenical Center for Ecology, Peace and One World in Berlin-Spandau (since 2000) amongst many other roles. He has contributed immensely in the field of nonviolence and peace education through speeches in various universities, conferences, workshops, newspaper articles, published books, and web talks around the world.
